Article No.	From	To
Seventh	"SEVENTH: That the authorized capital stock of the Corporation is One Billion Two Hundred Million Pesos (₱1,200,000,000.00), Philippine Currency, divided into: • Four Billion Two Hundred Million (4,200,000,000) Class 'A' common shares, par value of ₱0.10; • Two Billion Eight Hundred Million (2,800,000,000) Class 'B' common shares, par value of ₱0.10; and • Five Billion (5,000,000,000) preferred shares, par value of ₱0.10."	"SEVENTH: That the authorized capital stock of the Corporation is One Billion Two Hundred Million Pesos (₱1,200,000,000.00), Philippine Currency, divided into: • Seven Billion (7,000,000,000) common shares, with a par value of ₱0.10 per share and • Five Billion (5,000,000,000) preferred shares, par value of ₱0.10, with such rights, preferences, and restrictions as provided in the Articles of Incorporation."

Rationale for the amendment(s)

The amendment is being undertaken in compliance with SEC Memorandum Circular No. 10, Series of 2025, which mandates the declassification of Class “A” (Filipino ownership only) and Class “B” (open to Filipino and foreign ownership) common shares of listed companies into a single class of common shares.

The timetable for the effectivity of the amendment(s)

Expected date of filing the amendments to the Articles of Incorporation with the SEC	Jan 6, 2026
Expected date of SEC approval of the Amended Articles of Incorporation	Oct 6, 2026

Effect(s) of the amendment(s) to the business, operations and/or capital structure of the Issuer, if any

1. On Business Operations
No change in the nature of the Corporation’s business, operations, or strategic direction. The Corporation continues to operate under its existing business purposes.
2. On Capital Structure
Authorized capital stock remains unchanged at ₱ 1,200,000,000.00, divided into:
7,000,000,000 common shares (previously split into 4.2B Class A and 2.8B Class B), and
5,000,000,000 preferred shares.

The amendment removes the distinction between Class “A” and Class “B” common shares, consolidating them into a single class of common shares with equal rights and privileges. The authorized preferred shares are not affected.
3. On Trading and Shareholders
All outstanding Class A and B shares will be treated as one class of common shares, simplifying shareholder rights and trading. There will be no dilution of existing shareholders’ interests, as the total number of common shares and par value per share remain the same.
Foreign ownership will continue to be monitored by the Philippine Stock Exchange (PSE) trading system, in compliance with constitutional and statutory limits.
4. On Governance/Administration
The amendment eliminates administrative inefficiencies tied to maintaining two classes of common shares. Shareholders will have a more uniform set of rights, avoiding price disparities and confusion between A and B share classifications.

In summary, the amendment has no adverse effect on ATN’s business or operations. It only simplifies the capital structure by consolidating common shares into a single class, while retaining the same authorized capital stock and preferred shares.
